

Request for Referral

Provider, please refer your patient for **MCCN's Managed Care Service**. MCCN will work with your practice team to identify the specific needs to improve the quality of life of your LTSS patient. Including but not limited to: health and wellness coaching, finding employment, securing home health care, accessing transportation, and other social resource support services.

* For providers: visit www.massccn.org and fill out the quick online referral form.

1. Eligibility for Long Term Services and Support (LTSS) Care Coordination:

Your patient must be enrolled in MassHealth and is:

- an individual with intellectual and developmental disabilities including autism or;
- an individual with a brain injury or cognitive impairments or;
- an adult, up to age 65, with a chronic condition requiring long term support or;
- a youth, aged 3-21, with chronic illnesses in need of long term care or;
- an individual with complex behavior and LTSS health needs or;
- an individual with physical disabilities or challenges

2. Enrollment for MCCN services begins with a referral from the provider.

Provider, you can facilitate a referral by:

- filling out our quick and secure online form found at: www.massccn.org or;
- calling: **508.983.6790** or;
- emailing: info@massccn.org

MCCN is a contracted approved LTSS Community Partner.
Our MCCN Care Coordination Team is available to work with your team to ensure that the complex needs of your eligible patients are met.
